- Thank you for participating in this evening's Public Information Meeting on the Reconstruction of Charles Street between 25th Street and University Parkway. In order to help our analysis effort, do you have any Charles Street Reconstruction concerns beyond those presented or discussed tonight?

*Very concerned about East Side median at 26 ft
 29th to University - take some of that over
 center median to the west side, at least*

*Also - you've counted pedestrian
 count bikers? *
