- Thank you for participating in this evening's Public Information Meeting on the Reconstruction of Charles Street between 25<sup>th</sup> Street and University Parkway. In order to help our analysis effort, do you have any Charles Street Reconstruction concerns beyond those presented or discussed tonight?

Is there a plan being considered to educate drivers about pedestrian + bicyclists' rights?

It seems that the success of the bike lanes in particular would be improved if their introduction is accompanied by efforts to inform + educate drivers about the fact that bikes are allowed to ride in the road and that they must respect the bike lanes.

Thanks
