- Thank you for participating in this evening's Public Information Meeting on the Reconstruction of Charles Street between 25th Street and University Parkway. In order to help our analysis effort, do you have any Charles Street Reconstruction concerns beyond those presented or discussed tonight?

• We spoke with Helen prior to the meeting, in regards to Greenway added a change to the drawing from the General and Helen Hall. These changes would be greatly appreciated. Thank you.

• John asked us, Louise Torrey and myself to request the same appropriate lighting that Charles St. gets, to continue ~~to add~~ this lighting to Greenway. The present lighting along Greenway is completely wrong.
