- Thank you for participating in this evening's Public Information Meeting on the Reconstruction of Charles Street between 25th Street and University Parkway. In order to help our analysis effort, do you have any Charles Street Reconstruction concerns beyond those presented or discussed tonight?

I think the design committee should recommend that the city revise the plan to make Charles St 2 ways. The extra space should be used to accommodate bike lanes. They should be very clearly marked.

Please mail or fax your comment to:
