

Bike Lane Options

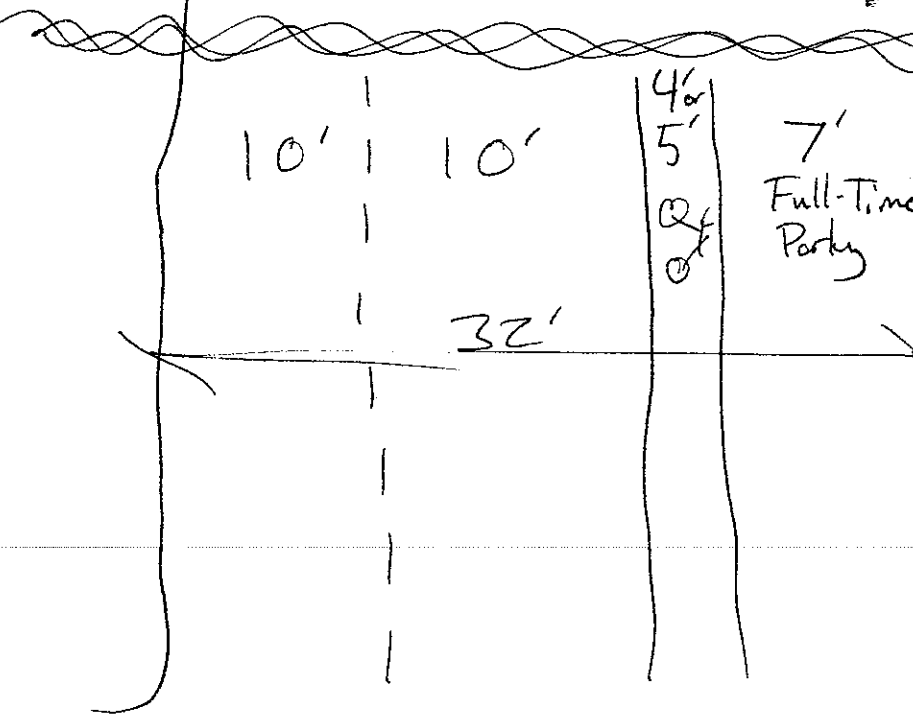

Proposed City

- Unsafe for cyclists
- Confusing for drivers
- Identical to 33rd

Possible Alternative

- Permanent bike lane adjacent to median
- Drivers never drive on bicycle lane
- Maintains 25' to pass trucks double parked

Best Option

- 2 full-time driving lanes
- Permanent bike lane
- Full-time on-street parking for residents and visitors
- Sufficient space could be taken from median
- Most important for NB
